

Please only use the yard/s allocated to you. Please ensure you leave the yard clean with no hay, manure or rubbish and please hang up the chains when you leave (avoids them rusting).

Yards 1-15A - timber yards, on the left as you drive in

Yards 1-16B - metal yards, on the right as you drive in

Yards not numbered - on the right as you drive in, closer to the road than the metal yards.

There are some names attached to some of the yards and these can just be ignored. Please look at the yard number, not the name.
