

TTT Show 2021

Hi Competitors,

Welcome to TTT Show 2021!

At last we get to enjoy a TTT Show again after not being able to run since 2019. So we hope you all enjoy the day!

GVEC have been working hard to make sure the event is a good one and that everyone enjoys themselves the best they can.

We will have Food vans with a great variety of food, Coffee van and around 10 trade stands!!

The food vans will also be available for Saturday night dinner so you won't have to go too far and can enjoy a beverage or two, if you want!

Some formalities that you need to know for the show are as follows:

- Please make sure you and your strappers/crew check into the facility. We will have QR codes available at the office area near the arenas. We will also be checking vaccination certificates and once this has been verified you will obtain a wrist band.
The wrist band is very important as Ring stewards will be checking these on the day and if you have not got one you may not get entry to the ring.
Due to Elmore Event Centre regulations, this event is a Fully Vaccinated event only, those who cannot produce evidence of vaccination or a valid exemption will be asked to leave the grounds.
All riders and guests must check in for a wrist band!
Riders can get their competitor bags when they do this 😊

Times for check in are – 3pm to 5pm Saturday 11th and Sunday 12th 7am to 10am.

- Please make sure that you are still social distancing and not crowding around rings. We will have ring stewards assisting each ring with the next classes, as well as a PA near the rings on the day to assist with where rings are up to.
- If you are using the stables please make sure that you bring along a mat, old piece of carpet, towel etc when painting hooves. Elmore do not take kindly to black all over their concrete and it can affect your stable bond.

- We will also have a dedicated photo area to take your photos as a memory. It will be located at the start of the rings near the Horseland Trade stand / Rider retreat area.
- Photographers at the event are: Grain & Maine, Equisoul Photography and Belle Harrington Photography
