Nobody will be allowed to compete without proof of HRCV membership, so ensure your card is stamped for the 19/20 year.

Yard allocation is also attached, along with a map. Please ensure that you only use the yard allocated. If you have a yard you may park at the front of it. All overflow parking will be in the front paddock. Temporary yards may be erected as per HRCV rules. When leaving your yard please ensure that both chains are clipped up and all manure is removed. Manure may be spread outside the yards.

The XC course will be open for walking from 4pm Saturday 23rd for all levels. Maps will be on the Cross Country app and displayed at the office. Please use the app or take a photo of the maps as extras will not be printed. XC back numbers are provided. There will be a yummy canteen and coffee van available both days.

We will also be running a raffle where everyone who buys a ticket wins a prize, so bring some loose change along. There will also be a small trade village so bring your credit card too! It's not too late to book for dinner, email kim@yarrarangesvet.com.au spit roast and dessert, \$25pp starting from 6pm BYO drinks.

We have three breed awards available - Best performed Standardbred/partbred, OTTB best performed award for each level and overall and Clydie cross (must be registered with breed society). At check in please ensure you register your horse for these awards if eligible so that you don't miss out on some great prizes.

This event cannot run without volunteers. Thank you for providing a volunteer. We are using Signup and a link will be emailed to you shortly to choose a volunteer time. The XC briefing is compulsory for all XC jump judges to attend and will take place at 7.30 am Sunday 24th outside the office.

Presentation for all levels will be after the completion of the XC on Sunday 24th. We encourage you to stay for the presentation to support your fellow riders and the sponsors. Please follow our event on facebook for further updates. See you all on the weekend!
