Tickets will be \$2 each or 3 for \$5 each.

Efpos will be available in the club rooms if you forget to bring cash.

Ballan ARC would like to thank our sponsors

Optimal Equine

Maddy from Optimal Equine is a local PEMF professional.

PEMF (Pulsed Electro-Magnetic Field) is a non-invasive therapy utilising technology to create an Electro-Magnetic Field which penetrates through the entire body and stimulates the cells. By stimulating the cells, the body is encouraged to function at an optimal level.

PEMF can be used to boost healing, support joint and cartilage health, reduce pain, amplify athletic performance, increase circulation, reduce inflammation, increase toxin disposal and nutrient absorption.

Jessica Bryce Classical Dressage Coach

Jessica Bryce a Classical Dressage Coach who is passionate about correct movement and suppleness.

Jessica is an insightful coach who has generously offered a lesson as one of our raffle prizes

HERO and SPPHAV

The HERO programme recognises the best performed pure and registered SPPHAV partbred standardbred, with a lovely sash and gift.

The HERO organisation is Harness Racing Victoria's industry retirement programme supporting retired Standardbred racehorses, through retaining and development, to find new homes where they thrive in life beyond the track.

We appreciate all these kind sponsors for their generous contributions.

COFFEE VAN

Mas will be onsite at the club rooms with his "Flying Bean Coffee Van", if you are after a fabulous coffee then head up and see Mas.

Who doesn't need coffee after a dressage test??

Unfortunately, we are unable to provide a canteen service for this event, I apologies for any inconveniences that this might cause, bring a lunch snack with you.

We look forward to seeing everyone having a wonderful day and enjoying our event.
